

The Generation in front of the Lamp

1 Samuel 3:1–11

1. When do you feel you are like a little child?

Apply to Life

2. How does the Bible describe the spiritual darkness during the days when the boy Samuel was ministered? (Vv. 1-2)

3. Samuel immediately heard God's calling, but Eli only responded after the third time. Share whether you understand God's calling and deliver it to your children properly. (Vv. 4-9).

4. Share what the word of God means to your life. (Psalm 119:105)

5. Share the reason why we and our children should spend quiet time with God (together).
